

Presenting Partner of Event Parking Sponsorship Opportunity

How the “Presenting Partner of Event Parking” Works

In this sponsorship opportunity, your company will truly stand out by taking over the SkyBeach parking lot! Your branding will be the first thing our participants and attendees see. We will have a designated spot within the parking lot for marketing opportunities and we encourage branding throughout the entire space. We don’t limit you to the parking lot! We offer creative and effective ways to highlight your brand. Sponsorship benefits include, but are not limited to:

- Exclusive branding on A-frame signs in tournament designated areas during the three-day event
- Targeted marketing across social media, our website, newsletters, and select print materials (including the official tournament poster and captain’s bag inserts)
- Visibility on leaderboards and during our live-streamed YouTube coverage
- Brand placement throughout the event grounds (materials, such as banners, provided by the sponsor)
- A complimentary vendor space will also be available should you choose to participate.

At Suncoast Classic Events, we believe in more than just fishing, we're about community, connection, and giving back. Our events are created by anglers, for anglers, and are proudly family-friendly, team-oriented, and inclusive. We're passionate about conservation, outdoor education, and creating experiences that bring people together on and off the water. Every event we host supports Ready for Life Pinellas County, a nonprofit serving youth who have aged out of foster care. Additionally, we are proud to partner with CCA Florida STAR where one of the many missions of CCA Florida is to do trash cleanups statewide!

Partnering with us means more than brand exposure, it's a chance to make a meaningful impact while aligning with values that matter.

We understand that a monetary sponsorship tier may not be the right fit for every business. If you're interested in supporting the event in another way, we are always grateful for in-kind donations of products or services. Donations directly benefit Ready for Life, support efforts in conservation awareness, and provide a wonderful opportunity to highlight your business and showcase what you offer. If you'd like to explore a custom sponsorship arrangement, we'd love to hear from you!

These events would not be possible without the support of our sponsors. We value all our partnerships and look forward to the opportunity to work together!
